

# CHAMBER ADVANTAGE PROGRAM

(MEMBER-TO-MEMBER DISCOUNTS)

*The Chamber Advantage Program is a powerful membership benefit...*

- By **OFFERING** a Chamber Advantage discount or benefit, you create an incentive for employees from the Chamber's member businesses and agencies to deal with your business!
- By **USING** your SSM Chamber of Commerce membership card at fellow Chamber-member businesses when you shop or purchase things for your own business, you and your business save money!

The Chamber of Commerce is currently in the process of updating our list of members that participate in our Chamber Advantage Program.

We invite you to tap into the business potential of your fellow Chamber members by offering them a special "**members only**" discount or perk! This list of member-to-member discount opportunities will be available in all NEW member packages, on our website, and to any member contacting our office looking for the list of participating members.

If you are interested in participating as a supplier offering a product or service at a discounted rate to fellow Sault Ste. Marie Chamber members please complete the form below and return it to the Chamber office.
